

WELCOME TO BANGKOK AND OUR 23rd GLN CONFERENCE!

We are pleased to welcome each and every one of our delegates and **THANK YOU!!**

GLN is excited to be back in Bangkok!

Our efforts in gaining new members will continue to result in new business for the network and new opportunities for our existing members. Each and every new member has undergone the strictest admission process in the industry with approx. 80% more companies being rejected than accepted.

Please make a special effort to welcome the many "new" delegates attending this 23rd Annual Conference and make them feel comfortable as new family members.

Myself, I am really looking forward to spending time with both new and returning delegates and talking about how GLN can further assist you with your development and business expansion. My team and I look forward to having an exceptional time and a wonderful few days.

GLN knows you have a choice of networks and appreciates your continued support. Be assured that GLN, under my direction and management, will do whatever necessary to maintain your loyalty to one of the oldest and most respected of all networks.

In closing, my sincere thanks for your continued support and, to first-time delegates: ***"There are no strangers here, only friends who have not yet met"***. We look forward to a fun, friendly & productive conference. We sincerely thank everyone for attending.
